**SAFETY & EFFICIENCY AGREEMENT**

**FOR SUPERIOR HEATING/AIR CONDITIONING RELIABILITY & EFFICIENCY**

**Furnace      Air Conditioner      Humidifier      Air Filter      Fireplace      Water Heater**

**Scheduled Maintenance of your Equipment Offers Eight Key Customer Benefits**

- 1. REDUCES MAJOR REPAIR EXPENSES**  
Minor repairs and adjustments prevent major repairs and catastrophic failures that could require premature unit replacements.
- 2. LENGTHENS THE LIFE OF THE EQUIPMENT**  
Safety and Efficiency Agreement service allows us to recommend updating existing equipment or components only when it is really needed, not just because of poor maintenance. Regular maintenance improves the life of the equipment.
- 3. MAINTAINS EFFICIENT OPERATION**  
Safety and Efficiency Agreement service maintains highest energy efficiency and enhances life expectancy. Trained technicians know when and what components need lubrication. They also know the proper cleaning procedures for all components.
- 4. SAVES MONEY ON NEEDED REPAIRS**  
The contract covers most small repairs, with no extra labor costs involved. Our Safety and Efficiency Agreements also offer a 10% discount for repair parts that are not covered under the equipment original warranty.
- 5. DELIVERS PRIORITY SERVICE**  
In times of high service demand, a Safety and Efficiency Agreement customer always ranks above any new customer. Customers receive priority service with a Safety and Efficiency Agreement.
- 6. OFFERS SERVICE FROM EXPERIENCED, PROFESSIONAL TECHNICIANS WHO ARE WELL-EQUIPPED TO GIVE ADVICE ON EQUIPMENT AND ADDITIONAL SYSTEM NEEDS**  
Our factory trained service technicians have the proper tools and instruments to test, calibrate and repair equipment, and they have immediate access to replacement parts.
- 7. PROTECTS EQUIPMENT WARRANTIES**  
Safety and Efficiency Agreement service maintains accurate records of maintenance and repair for better equipment management and warranty protection.
- 8. GIVES COMFORT KNOWING YOU WILL BE CONTACTED FOR YOUR ANNUAL SERVICE**  
Safety and Efficiency Agreement service customers will be called at the beginning of the heating season and the beginning of the cooling season to schedule the annual maintenance on their equipment.
